Kargil Vijay Diwas, named after the success of Operation Vijay. On 26 July 1999, India successfully took command of the high outposts which had been lost to Pakistani intruders. 26 July is celebrated as Kargil Vijay Diwas in India. A career in the Defence Forces as an officer has always had a place of dignity and respect amongst the youth, The Armed Forces have, over the time systematically focused on making the services more attractive, which include faster promotions, improved accommodation availability and quality schooling for children. The modernistic equipment profile in the services is highly challenging as well as exciting. Parents can inculcate zeal of Nationalism in their kids from their childhood days as this is the correct time to impart values, morals and guidance to help your child set goal to serve the Nation and become agood citizen. Plan some activities like making a collage on Army operations by taking articles from Newspapers, make a powerpoint presentation which can be displayed in school assembly
