PARENT INVOLVEMENT ACTIVITY

NATIONAL PARENTS DAY "Mathru devo bhava, Pithru devo bhava" We, in India consider parents as living Gods on earth. Parents dedicate their lives in taking care of their children. As God cannot be everywhere, He created Mother. Nobody on earth can replace them. On this occasion, I request all our parents to spend some time with the children, tell them the stories like how Shravana Kumar looked after his blind parents, the Lord Rama obeyed his parents' word etc to make them know the value of parents. Thanking you.

CREATIVE CLASSROOM DECOR
