

Circular

6th September, 2019
LIS/ACAD/2019-20/038

Dear parent

Greetings from Lakshya Team!

LET YOUR CHILD VISIT ISRO, SRIHARIKOTA THIS OCTOBER

“The journey matters as much as the goal” – Kalpana Chawla

We salute the ISRO scientists for their tremendous efforts towards sending Chandrayan 2 so close to the moon. The best is yet to come for us.

No doubt success is a bonus but failures brings in real learning experience as APJ Abdul Kalam said “Failure will never overtake me if my definition to succeed is strong enough”.

Well, in order to develop a sense of scientific inquiry amongst students of Grade III to IX, we are proud to organize a trip to **ISRO Sriharikota from 3rd Oct to 7th Oct, 2019**. (The dates may change on availability of AC 3 Tier Train tickets). **The total cost of the trip will be Rs. 12,500/-**.

We are really sorry to give you a very short notice for this trip as it wasn't possible to inform any earlier. Time is really short and so if you are interested to send your ward to this trip, kindly register by Monday (09.09.2019) without fail by sending Rs. 5,000.00 (In cash only) as advance and rest of the payment can be done latest by 11th September. **(We can't take any registration after 9th Sept as train tickets won't be available.**

Kindly note that suggested packing list will be sent to you shortly. Any payment once made will be non –refundable for this particular trip. For further details please call us back at 9133657007 or (Ms. Hema – 9849778476). Atleast two to three teachers will be travelling with the students to Sri Harikota. **One of the accompanying teachers will be Mr. B. Appala Naidu (9948012200).**

Regards

Satyaki Banerjee
Principal
