Field Trip Circular for Grade – II

Dear Parent,

Greetings from Lakshya Team!!

An educational trip is an off-campus learning activity that brings excitement and adventure to learning. A well-planned educational trip is an ideal way to introduce new skills and concepts to the children.

With accordance to the above statement, we have planned an educational trip to observe **different types of houses near Uppada and in and around Kakinada, also to a construction site near Rayudupalem** on **19.11.19(Tuesday)**, for the students of **Grade-II** accompanied by their teachers during the school hours. During the visit, the students will explore different types of materials used in constructing ‘kutchra’ and ‘pucca’ houses. They will also have a better understanding about different types of houses.

All the students of Grade II will be travelling for the trip in Lakshya school bus during school hours. Utmost care will be taken during their travel to the field trip.

Start Time: - 09.00 A.M.

Return by: 12: 30P.M.
