PARENT INVOLVEMENT ACTIVITY

This event celebration is named as Armed Forces Flag Day as this day aimed to collect fund from the people throughout the India just by selling the Indian special colorful flags, labels and stickers. Now it has become a prestigious annual celebration in India for the well-being of the National life, providing rehabilitation to the battle victims, well-being of helping personnel of Armed Forces and their families as well as the resettlement and welfare of the ex-servicemen personnel and their families. The personnel serving in the Navy, Army and Air Force of India never think about their lives while protecting the country. Many lives of the Indian army personnel had lost all through the Chinese violence of the year 1962, Indo-Pak Conflict of the year 1965 and 1971, Kargil War of the year 1998 and many more. Many homes of the India had left broken during these wars, number of serving personnel became disabled, handicapped. So, this Flag Day celebration in India bring a lot of hope in the lives of those victims who had sacrificed their precious lives for the better tomorrow of the country.

The Armed Forces Flag Day celebration strengthens the cultural bond among the people of India and the staffs of armed forces. This celebration plays a great role in enhancing the welfare of the serving personnel of Indian armed forces. Along with your child research some more facts about armed forces and bring awareness among them.
